

The Ecological Society of Australia invites you to attend
ESA SA Ecology Day 2010

Program now available

A forum to promote ecological research and the application of ecological principles in the development, use and conservation of natural resources in South Australia.

Wednesday 21 July 2010

Napier Building, North Terrace, University of Adelaide.

\$20 for ESA members, \$30 for non-members. Fully catered.

Keynote speakers: Professor Peter Fairweather, Flinders University and Associate Professor Sue Carthew, University of Adelaide

Are you a researcher, professional, post-graduate or honours student working in the field of ecology and conservation and interested in attending or giving a 10 minute oral or poster session presentation?

To request an attendee registration form or presenter application email SA@ecolsoc.org.au or visit www.ecolsoc.org.au

Closing date for poster presentations* extended to Friday 15th June 2010

Closing date for attendee registrations: 16th July 2010

*** Be aware, entrants are eligible for a People's Choice Award valued at \$200!**
